

STEP 6: EDIT SUBMITTED FORM

- i. Applicants may edit Section A, B and C of their submitted form before the closing date of HECAS.

The screenshot displays the HECAS PORTAL interface. At the top, a grey header contains the text "HECAS PORTAL". Below this, a green notification box states "• Your application has been submitted." Underneath the notification, the text "HECAS Intake Open For New Applications" is visible. A main content area titled "2019 Intake" contains the following information: "2019 Intake", "Chosen Programmes (Last updated:2019-01-26 08:11:33)", a list item "• @", "Application Payment", and "Cost :". A red rectangular box highlights an "Edit" button located to the right of the list item.

- ii. Applicants may reduce and delete the number of programme registered by clicking the "Remove Preference" button. However, once a programme choice is removed, applicants will lose that slot and the fee is non-refundable.
- iii. Applicants may add more programmes and the outstanding balance will be reflected in the form. Applicants must settle the additional payment before the closing date of HECAS.
